# GINTER PARK

## Richmond's Finest Suburb

*Appeals to discriminating people  
of refined tastes and is unequalled  
as a place of residence.*

It is a beautiful park in the true sense of the term, laid off in villa sites, affording ample room for lawns and gardens. It has the city's advantages and conveniences without its discomforts of noise, dirt and closely built up blocks.

The location is high and healthy, a delightful all-the-year residence place but a few minutes ride from the heart of the city.

One fare. Two electric lines.

Superb, wide avenues, well paved and lined with beautiful shade trees and miles of privet and honey-suckle hedges. Electric light and telephone service. Finest of pure water from artesian wells. Sewerage and drainage systems unsurpassed. We shall be glad to show **you** this property at any time.
